

PKG-SYS INC.

# 5600CS COMBO

## AUTO L-SEALER & SHRINK TUNNEL

### Description

The 5600CS Combo is a fully automatic, high-speed packaging system that combines an L-Sealer and Shrink Tunnel on one compact frame. With APA Automatic Product Adjustment, operators can change package sizes in seconds using the touchscreen - no manual adjustments, no downtime. Delivering speeds up to 40 packages per minute, this machine provides consistent seals, professional shrink results, and reliable performance for demanding production environments.
