

ShrinkPro-X™

High-Performance Cross-Linked POF Shrink Film

ShrinkPro-X™ is a cross-linked, multilayer polyolefin shrink film engineered for demanding packaging applications. It provides exceptional strength, high puncture resistance, and strong, consistent seals while maintaining excellent clarity and balanced shrink performance.

Compatible with Most Shrink Wrapping Systems

KEY FEATURES

- High clarity and gloss
- Strong, reliable seals
- Excellent tear resistance
- Smooth machine performance
- Conforms tightly to irregular products
- Clean sealing with no fumes or wire buildup

TYPICAL APPLICATIONS

- Multi-pack bundling
- Toys and games
- Baked goods and food products
- Printed materials and media
- Consumer and retail goods
- Products with sharp edges or irregular shapes

AVAILABLE GAUGES

- 45 Gauge - lightweight retail products
- 60 Gauge - general purpose packaging
- 75 Gauge - heavier or irregular products
- 100 Gauge - large or sharp-edge products

Complies with FDA regulations for direct food contact packaging and meets USDA requirements for use with food products.
